Wakatobi Facing one of the most beautiful reefs in the world the resort offers excellent diving and snorkeling, even for the less experienced. The house reef, just in front of your doorstep villa, is known as the best of the dive sites in Wakatobi, and you will lucky to have unlimited shore diving. By and large, Wakatobi is not a place for big fish or action as Komodo is, but is a great place for macro with an amazing biodiversity including small creatures, nudis, critters and outstanding coral scene. Divers get ready for wide angle too!

The villas are stylish and spacious, equipped with fan and air conditioned. Due to their location and orientation facing the beach, Ocean Bungalows provide the most magnificent views while capitalizing on sea breezes. Each Villa offers even more living space in one- or two-bedroom floor plans with enlarged porches and decks, and elevated westward views of the ocean from all rooms. Two villas also provide private plunge pools overlooking the water. The outdoors are simple gorgeous. Completing this heavenly scenario, Wakatobi Dive Resort has included in its facilities the spa and the kids club. You just have to care about relax!

Fine dining and remote locations don't always go together, but Wakatobi provides a spectacular and delicious exception to this rule. The direct charter flights that speed guests to Wakatobi also provide the resort kitchens with a steady supply of the freshest foods and produce from Bali and around the world. The cuisine is managed in each single detail by a team of first class resorts and restaurants chefs. The food served here is an international blend, combining Indonesian delicacies and flavors with dishes from around the world. For those that are adventurous there are exotic dishes and for those looking for comfort foods those are available as well. There are always multiple choices of starters, main courses and desserts. Arranging private tete-a-tete dinners in a romantic setting on the beach is one of the specialties of Wakatobi Dive Resort, a very delightful option for honeymoon couples and those celebrating other special occasions such as birthdays and anniversaries, you just let us known when booking...

"Being located at the heart of the Coral Triangle, Wakatobi is one of my favourite places to dive. Thankfully, the resort works tirelessly to protect their reefs in conjunction with local communities. The biodiversity here is second to none, with every square centimetre accommodating life. Other areas in the Coral Triangle are not so lucky and destructive fishing techniques, anchor damage and pollution all take a serious toll." PhD Richard Smith, oceanrealmimages.com
